Survey Description & Requirments

A 5-10 Qualtrics survey to understand attitudes, perceptions, and feelings of water contamination in the area. Must be 18 years old or older and live in the Wilmington, North Carolina area. That area is defined at New Hanover and Brunswick Counties.

Data Security

The data collected will be safely stored in accordance with East Carolina University policies and procedures. Only the PI and investigators will have access to the data.

For Questions

Please call Genevieve Guerry at 913-775-0578 for any research-related questions or the University & Medical Center Institutional Review Board (UMCIRB) at 252-744-2914 for questions. Follow Instagram @Ourcoastalhealth and X @Rcoastalhealth for updates.
